NATIONAL SERVICE SCHEME (NSS)**

**REPORT ON
Tree Plantation Drive**

**Date: 31st July 2026
Venue: Bhivadi Village, Taluka Purandar, Pune
District**

Principal

NSS Programme Officer

The National Service Scheme (NSS) Unit of **Sinhgad Academy of Engineering, Kondhwa, Pune**, organized a **Tree Plantation Drive** on **31st July 2026** at **Bhivadi Village, Taluka Purandar**, with the objective of promoting environmental conservation and creating awareness about the importance of increasing green cover.

The programme witnessed the enthusiastic participation of NSS volunteers, who actively contributed to planting **100 saplings** at the selected location. The activity was conducted with great dedication and teamwork, reflecting the volunteers' commitment towards environmental sustainability and social responsibility.

The event was conducted under the guidance of our **NSS Programme Officer, Prof. Rajput Sir**. **NSS Mahila Adhikari, Ms. Pratiksha Patil**, was also present and encouraged the volunteers throughout the programme. The programme was further supported by **Prof. Sachin Sabnis**, Programme Officer from S.Y. College, Commerce Vidyapeeth, whose presence motivated the participants.

The Tree Plantation Drive also received valuable support and cooperation from the local community. **Dr. Manoj Shinde, Mrs. Sailee Manoj Shinde**, and **Police Patil Mr. Akshay Shinde** of Bhivadi Village actively participated in the programme and appreciated the efforts of the NSS volunteers. Their encouragement and coordination contributed significantly to the successful execution of the activity.

During the programme, volunteers planted saplings at suitable locations and were guided on the importance of protecting and nurturing the plants after plantation. The activity highlighted the role of trees in maintaining ecological balance, improving air quality, conserving biodiversity, and combating climate change. The volunteers also spread awareness among local residents about the importance of environmental protection and the responsibility of every citizen to preserve nature for future generations.

The programme not only strengthened the volunteers' sense of environmental responsibility but also encouraged teamwork, leadership, discipline, and community participation. It provided an opportunity for students to contribute directly towards sustainable development while working together with the local community.

Conclusion

The Tree Plantation Drive at **Bhivadi Village** was a successful and meaningful environmental initiative. The plantation of **100 saplings** marked a significant contribution towards creating a greener and healthier environment. The programme inspired all the volunteers to continue participating in environmental conservation activities and reinforced the message that every individual can contribute towards protecting nature through collective efforts. The activity concluded with a pledge by all participants to care for the planted saplings and continue supporting environmental sustainability in the future.
